

### Outcome-based 18/SU Course Syllabus

*Course Rubric Number Section:* ABDR 1442 2001  
*Lecture-Lab-Credit:* 2-6-4  
*CIP Code:* 47.0603  
*Course Title:* Structural Analysis and Damage Repair II  
*Course Description:* Continuation of general repair and replacement procedures for damaged structural parts and collision damage.  
*Prerequisites:* Take ABDR-1323(28) ABDR-1419(64) ABDR-1311(5024) or ABDR-2435; Minimum grade C,CR;  
*Co-requisites:*  
*Course Meets:* 200F 109 LEC F 08:00AM 10:30AM 200F 112 LAB TH 08:00AM 12:00PM 200F 112 LAB TH 01:00PM 04:00PM  
  
*Instructor:* Jose Vasquez  
*Office Phone Number:* (956)364-4824  
*Email Address:* jrvasquez@tstc.edu  
*Office Fax Number:* (956)364-5159  
*Building & Office Room Number:* Building F Office# 105  
*Office Hours:* Friday 11am-4pm

<b>Approved by:</b> Clint Campbell	<b>Date:</b> 2018-04-30
------------------------------------	-------------------------

#### Course Outcomes

- CO1:** Apply vehicle dimension measuring procedures to collision damage
- CO2:** Use measuring equipment
- CO3:** Repair and replace damaged structural parts
- CO4:** Return to pre-damaged dimensions and locations

#### TSTC Grading Policy

(Grades for courses must be C or better)

Grade	Percent	Description	Grade Points
A	90-100	Excellent/Superior Performance Level	4
B	80-89	Above Required Performance Level	3
C	70-79	Minimum Required Performance Level	2
D	60-69	Below Required Performance Level	1
F	Below 60	Failure to meet Performance Requirements	0
IP	--	In Progress	
W	--	Withdrawal	0
CR	--	Credit	0
AUD	--	Audit of Course	0

See College Catalog for complete descriptions.

#### Competencies Rating Scale

Rating Scale Key			
6	90+	Proficient	Student consistently performs the task accurately to industry standards without supervision.
5	80-89	Proficient	Student performs the task to industry standards with no supervision.
4	70-79	Proficient	Student performs the task to industry standards with little supervision. This is the minimum performance rating for STAR skill completion.
3	60-69	Exposed/Not Proficient	Student has been introduced to the task and can perform some of the tasks to industry standards.
2	50-59	Exposed/Not Proficient	Student has been introduced to the task, but cannot perform the task to industry standards.
1	0-49		Student was absent or did not complete assignment.

## Campus Standard Policies

The [Student Handbook](#) contains valuable information on campus policies and procedures.

- Student Code of Conduct
- Student Drug and Alcohol Testing Policy
- Plagiarism
- Student Grievances and Complaints

## Disability Services

Any student who, because of a disability, may require special accommodations in order to meet the course requirements, should contact the Disability Services office, as soon as possible, to make necessary arrangements. Please note that instructors are not allowed to provide classroom accommodation to a student until appropriate verification from the Disability Services office has been provided.

#### Course Policies:

#### Safety Procedures

Students are required to participate in a safety lecture prior to performing in the laboratory portion of the course. A written test will be given to each participating student covering the presented safety materials. Students must complete the safety test with 100% accuracy prior to receiving lab assignments.

All lecture and laboratory safety rules and regulations will be followed in every detail. Failure to comply with this policy will result in dismissal from class until further notice.

#### Acceptance Attire

- NIOSH approved with clear safety glasses will be worn at all times.
- Full-toed shoes (no slippers, sandals, flip-flops, or bare feet).
- Full length pants (must extend past ankles).
- Pants must fit around waist within 3 inches of belly button.
- Shirts (no sleeveless or tank tops).
- Shirts with and without buttons can be worn with instructor approval on neck opening exposure.
- Clothing must be reasonably snug fitting (not excessively loose, baggy, torn).
- An inappropriate slogan on clothing is not acceptable.
- Jogging clothes, sweats, or warm-ups are not acceptable.
- Acceptable headgear: ball caps or bump caps (**No** do-rags, bandanas or shower caps).
- The Instructor has the final authority concerning matters of dress.

### **Classroom and Lab Behaviors**

- Smoking in classrooms, laboratories and shops are prohibited.
- Smoking is permitted only in designated areas.
- Smoking is prohibited within 20 feet of a building, when permitted.
- Smoking is prohibited within the fenced area surrounding the ACM and CAT Labs.
- The consumption of drinks, candy and other food items is restricted to lounge areas.
- Eating or drinking in laboratories are hazardous because of the toxic nature of lab materials being handled.
- No horseplay at any time.
- Be responsible – Be a professional.

### **Late Work/Test Policies**

All students are required to be present for class. However, unexpected circumstances will occur. If a student has an excused absence, death or illness in the immediate family, the student must notify the instructor of record immediately. If a test is missed, the instructor has to give permission for make up. The missed test must be made up before the next scheduled period of instruction.

An excused absence only allows for make up of missed assignments or test. The absence is recorded.

Assignments are due at the beginning of class of the set due date. Late assignments will not be accepted and a grade of “zero” will be earned for said assignment. Students who prior contacted the instructor may be considered excused.

### **Pop Tests**

Can be given at any time by the instructor and are not make up items.

### **Exemptions**

Students can be exempted from a final exam if:

- A. Lecture average is 90 or above
- B. Attendance is perfect
- C. Assignments are completed and turned in
- D. Projects are complete

### **Cell Phone Policy**

Cell phones may not be brought into the classroom or lab as they are unsafe and disruptive to the environment.

Anyone failing to adhere to this policy will be dismissed from class and issued a non-participation grade (absence) for that period of instruction.

### **Departmental Awards Ceremony/Cleanup Policy**

Each student is expected to participate in the awards ceremony and cleanup activities once the date has been identified.

Students final exam grade is dependent upon their participation at these functions. One half ( $\frac{1}{2}$ ) of the final exam grade for the course is participation. One half ( $\frac{1}{2}$ ) of the final exam grade is completing the final exam for the course.

Students with unexpected circumstances can be excused by the department chair only.

TSTC school calendar identifies the end of the semester. Student break begins the day after.

### **Instructor's Participation Policy:**

A student is expected to attend and participate during the scheduled period of instruction (lecture and lab). This begins with the first scheduled class day of the term. A student deemed a non-participant for more than 10% (4.5 hours) of the lecture periods, regardless of grades earned on assignments, will have to repeat the course.

A student is considered tardy up to 15 minutes into the scheduled lecture or lab, and thereafter will be considered a non-participant for that period.
