

Off Campus Living Request

Student Name: _____

Current Address: _____

Semester Term: _____

TSTC policy required that all students entering Texas State Technical College, who are under 21 years of age on the first day of class and have fewer than two semesters of previous college credits are required to live in on-campus housing. Special circumstances justifying an exemption will be considered by the Director of Campus Living and should be directed to the Campus Living Office.

I am requesting an exemption from the TSTC policy based on the following criteria:

- Residing with parents/legal guardian and will commute.
- Married and/or have dependents.
- Medical circumstances unable to be accommodated by the school.
- Completed two semesters of college work.
- Other: _____

I have read and understand the above request. I attest that all information and signatures are true and authentic. I also understand that falsification of any information or signature on/or attached to this agreement can result in disciplinary action, which may include, but not be limited to suspension.
